WINTER

Brave the icy clutches
of evil in a new forgotten
realms® adventure

Frostmaiden's Lair, a legendary
hideout of the Spirit of the North

Meet the Frostmaiden, the
Frostmaiden's Lair, and the Frostmaiden

Meet the Frostmaiden, the
Frostmaiden's Lair, and the Frostmaiden

Journey back north to the mysterious frozen lands of Icewind Dale. In this expansion to the best-selling D&D, a barbarian horde is threatening the Frostmaiden, and only you can stop their march of destruction.

Master powerful new magic spells including Breeding Wave, Whitefire, and Blade Storm. Wield deadly weapons such as Trollslayer and the Broads of Blood as you face down new monsters like the Bonebeast and Wailing Virgins. And above all, ensure your success by equipping yourself with the only official strategy guide, packed with everything you'll need to survive.

Inside you'll find:

- ▶ Expert walkthroughs for every dungeon and combat
- ▶ Detailed maps of all the new areas including Lamentation
- ▶ Techniques and strategies to help you survive the icy wilderness
- ▶ Indispensable info on all the new magic, spells, weapons, armor, and monsters
